THE NICOL INVESTIGATION .- The House Committee for Courts met yesterday and examiued Mr. Thomas Chapman, of Prince Wilham county, a witness in the case of Judge Aylett Nicol, of the same county, charged with malfeasance in office. His testimony was to the effect that Wileman Thomas brought him a deed conveying certain property to him from Wm. E. Dulin, which greatly suprised him, as he had no previous knowledge of anything of that kind. Wileman Thomas paid him \$10 for thus using his name, and he afterwards assigned the deed and the property it convey ed to him to Judge Nicol. He said he knew

nothing more about the matter. The committee will meet again this morning at 10 o'clock to take the testimony of Mr. C. W. C. Dunnington. Mr. Landon Carter and his wife, Mrs. Ann E. Carter, of Fauquier, have been summoned to testify before the com mittee next Wednesday at 10 a.m.-Richmond, Whig of Saturday

The House Committee for Courts of Justice, charged with the investigation of the allegations against Judge Nicol, on Saturday morning, heard the testimouy of Mr. Dunnington, an employee of the folding room of the House of Representatives, and formerly a member of the House of Delegates. Mr. Dunnington had not proceeded far when a technical question was raised, and the examination was suspended, and the committee rose to meet on Wedpesday.

Judge Nicol, in case the committee decides to present articles of impeachment, will waive the twenty days' notice he is allowed by the Constitution. Some members of the committee doubt whether he has the right to waive the notice. If he has not, and articles of impeachment are agreed upon, they cannot be tried at this session of the General Assembly. -Rich. Dispatch of this morning.

JAMES GORDON BENNETT'S MARRIAGE.-While attending a stylish party in Madison avenue in November last, Mr. James Gordon Bennett, of the Herald, met Miss Ida May, formerly of Baltimore, but then and now of New York. Miss May is tall, and of rather slight build. She has brilliant black eyes and dark waving hair, as well as a pure complexion, the envy of half the society belles of the city. She is just nineteen years of age, and has been out about a year. She is the daugh-Dr. May, a Washington physician. She is also connected by family ties with the Oeirichs, Livingstons, Hones, and the De Peysters.

Mr. Bennett, who has been engaged twice before, once to the daughter of an ex Governor of this State, and once to a well known Cuban society belle, had not known Miss May many days before he succombed to her charms of person, mauner and mind, and became regularly engaged to her.

Mr. Bennett recently ordered for his fiancee at l'iffany's an elegant jewel case filled with the most valuable jewels, from a tiara to fingerrings and ear-rings. The wedding will take place in the third week in April, and it is ex pected to be the most brilliant seen in this country for a long time. - N. Y. Sun.

PROBE DEEP.-We like the resolution for the investigation of the improvements of the District of Columbia. There have been more assertions in reference to the manner in which the improvements of the District of Columbia were made than of any other act of the administration. If true, not only should Governor Shepherd be punished by imprisonment, but the severest consure should fall upon all in power who have either shared in his rascality or countenanced him in its enjoyment. But let the whole business be investigated. This coming campaign for the Presidency promises to be rich in scandals and slanders. The sooner we know what are really sins and what are mere averments meant to hurt or aid a party the better for the cauvass and the better for the pubhe sense, now deadened by this Niagara of seandal which has poured over the country for the past few years. Let the whole District of Columbia business he probed and probed deep. -New York Herald.

#### Hon. George Peabody.

White Sulphur Springs, Va., Aug. 2, 1869. Dr. J. S. Pemberton—Dear Sir: I am gratified to inform you that the Globe Flower Cough Syrup has been of great benefit to me. I have been suffering with throat and lung disease for son c time, and used many of the most celebrated remedies on the continent, and can conscientiously say that none proved so pleasant and beneficial in my case as your remedy. With my good wishes for your success,

I am yours respectfully, GEORGE PEABODY. Globe Flower Cough Syrup cures Colds, Coughs, Bronchitis, Hoarseness, Asthma, Whooping Cough, Croup, Pleurisy, Psin and Soreness in the Breast, and will positively cure consumption. We shall publish in the Gazette Testimonials of great and good men of the na-tion, whose words cannot be doubted, in regard to the merits of Globe Flower Syrup. We prefer to let them speak.

L EDGER'S FLUID (RED), THE UNI VERSAL DISINFECTANT. (Perman ganate of Soda.) It is the only true disinfectant known, all other preparations sold for this pur-pose being merely deodorizers (or articles which possess the property of overpowering unpleasant smells by their own pungent and often disagreeable and dangerous qualities.) It is particularly adapted for disinfecting sick rooms in cases of typhus fever, small pox, cholera, scarlet fever, diarrhœa, and all contagious diseases, and for purifying rooms in which there are dead bodies, removing at once all unpleasant smells, and destroying effectually any latent germs of disease. By placing the diluted fluid in dishes or basins, about bed chambers, school rooms, work shops, hospital wards, &c., it keeps the air in a perfect state of purity. For stables, slaughter houses, butchers' shops, dairies, cellars, &c., it is invaluable, keeping them in a perfectly wholesome state, by merely sprinkling the di-luted fluid over the floors and walls. It keeps dust bins, water closets, drains, urinals, &c., sweet and wholesome, by using once or twice a day. For sale by JANNEY & CO.,

These Bitters are the extract of the best and most favorably known Medicinal Herbs, Roots, Barks and Berries, together with sufficient Pure Old Cognac Brandy to preserve them in any climate—torming, in elegant combina-tion, a superb Tonic, Alterative and Diuretic. They are confidently recommended in all cases of Dyspepsia, Nervous Headaches, Indigestion and Heartburn, Weakness, Langor and Debility, Torpid Condition of the Liver, Obstinate Constipation and Loss of Appetite. They are also a sure preventive of Ague and Fever. They are pleasant to the taste, and the most delicate stomach will find nothing disagreeable in them. Along water courses and in low and marshy districts they will prove a sure safeguard against the diseases incident to such sections of the country. Weak and debilitated females will derive great benefit from their use. In quart bottles, at \$1 each. Prepared only by
